Opposition to Notice of the Reorganized Debtors' Fourth Omnibus Objection

Claim numbers: 80590, 80267

Amount of Proof of Claim: \$5,200.00

To The Honorable Dennis Montali, United States Bankruptcy Judge,
PG&E came out to our property, they made repairs without notice, by jack hammering through our colored and stamped concrete walkway and filling it in with asphalt. They could have used appropriate equipment (like they did at neighboring homes) to go under the concrete but did not. PG&E later sent a contractor to repair this damage but during a conversation with him it quickly became clear that he was not interested in repairing the walkway to the standard it was before. The above quote is for repaired walkway (\$4,200.00) and landscaping (\$1,000.00).
